Subject: - **IGP DIRECTIVES - REGARDING POSSIBLE OUTBREAK OF CORONA VIRUS.**

Keeping in view of the recent ongoing situation with regards to possible outbreak of Corona Virus, it is imperative that all necessary precautionary measures shall be adopted to avert any untoward situation.

The following preventive measures should be taken:-

- Calculate and make available reserves across all units of Sindh police- in case this panic situation gets converted into riot situation.
- Police to be part of community engagement efforts to create awareness on precautionary measures against this virus.
- Support different organizations involved in the preemptive /diagnostic /treatment process.
- Take preventive measures against possible or identified hoarders trying to exploit this situation by dumping/hiding protective equipment like suits, masks etc.
- Provide protection to hospitals and quarantine facilities.
- Support the efforts of district Deputy Commissioners by providing staff to be part of the already established rapid reaction units for screening purposes.
- Start installing/fixing hand sanitizers across all police buildings in the province.
- Collaborate with the health department and DCs closest facilities where testing/screening is being carried out.

Compliance shall be made in letter and spirit.
